LEARN • LAUGH • EXPLORE

FREE day trips for the over fifties

If you are over fifty and want to discover exciting new attractions as well as meet new friends, then SGS College has the course for you.

Held over a weekend, the Discover course will allow you to explore different locations and gain a qualification in either English or Maths. The real fun begins on the Sunday, when you and your peers will be driven by coach to one of the exciting venues around the region. Whether you are a history enthusiast, a culinary connoisseur or a green-fingered gardener, you will find an experience that is right for you.

Booking is essential, as there are a limited number of places.
